act intended to insult the modesty of women). The provisions of the aforesaid Acts and section of the IPC are applicable to all including Government official or police personnel. Further, section 376 (2) (a) & (b) of the Indian Penal Code provides for higher minimum punishment in case of rape committed by a police officer and public servant on a woman in custody.

As regards violence against women by police personnel, the National Crime Records Bureau (NCRB) collects and compiles statistics of incidents of rape committed by police personnel on women in custody. A few cases of incidents of rape committed by police personnel have come to the notice of Government. As per the statistics finalized for the period 2002 to 2004 by NCRB, only 3 cases were reported in 2002, no case was reported in 2003 and only one case was reported in 2004. Data on violence committed against women by Government officials is not maintained centrally.

Installation of power plants in the country

†*152. DR. CHHATTRAPAL SINGH LODHA:
PROF. R.B.S. VARMA:

Will the Minister of POWER be pleased to state:

(a) whether it is a fact that Government are considering to install power plants in the country;

(b) if so, the details thereof; and

(c) the amount likely to be spent by Government on the installation of the power plants?

THE MINISTER OF POWER (SHRI P.M. SAYEED): (a) and (b) Yes, Sir. Identification of power projects for development and commissioning sector-wise is an on-going exercise. In the Public Sector, 31,476 MW worth projects are under execution at present. In addition, 6926 MW are under execution in Private Sector. The details of these projects are given in the enclosed Statement (*See* below).

(c) The estimated capital expenditure on these projects is of the order of Rs. 1,90,655 Crores. Out of this, the capital expenditure in the public sector is estimated to be Rs. 1,63,764 Crores and in Private Sector Rs. 26,891 crores.

---

†Original notice of the question was received in Hindi.

Framing of long-term policy on exports of raw materials used for making steel

*153. SHRI K. RAMA MOHANA RAO: Will the Minister of COMMERCE AND INDUSTRY be pleased to state:

(a) whether Government are in the process of framing long-term policy on exports of raw materials used to make steel;

(b) if so, the details thereof; and

(c) what is the production of iron ore are in the country during the last five years, year-wise?

THE MINISTER OF COMMERCE AND INDUSTRY (SHRI KAMAL NATH): (a) The policy for export of major raw materials used in the manufacture of steel, namely iron ore, chrome ore and manganese ore has been notified under the Foreign Trade Policy, on 8th April 2005.
